COMPACT ONE & TWO BED COTTAGES

50m²

The Classics

These two 50m² designs are set out in a classic style with living in the front and bedrooms in the back, with a choice of a galley or island kitchen. And with the typical modern fixtures, floor coverings, architraves, T&G panelling with dado, laundry and thermally broken double glazed windows with argon and low E glass - these spaces are transformed into a warm and inviting place to call home.
